

from Kelly Priest

You will learn with time
that it's not the same to hold a hand
as to chain a soul.

And that love
doesn't mean Support
and companionship is not safety

You will learn gradually
that kisses are no contracts
and presents are no promises
and you begin to bear your defeats
with an uplifted head and open eyes
With the dignity of an adult
not griping like a child.
And you learn to build all your roads on the Today
because the Tomorrow is too much uncertain

You will learn with Time
that even Sunshine burns
if you get too much of it
so create your garden
and decorate yourself your soul with flowers
instead of waiting for others to bind your crests
and bear it in mind, that
you can hold out
and you are strong.

And you have your own Worth.
